**Prioritize**

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

⌚ 20 minutes

Importance  
 If most of these ideas could get done without any difficulty or cost, which ones would you most consider important?

Feasibility  
 Regardless of their importance, which ideas are most realistic from a point of cost, time, effort, complexity, etc?
